

2009 Class Schedule

Sign up Begins Sept 15th

Classes Start Sept 28th

Classes

Mondays

Polyester Plate Lithography

Mondays 6 - 9 pm
8 weeks \$275

Digital and traditional drawing techniques on Polyester Plates. Flexible medium not as intimidating as traditional stone litho can be to the beginner. Images can be printed onto the plates from digital files with either a laser printer or photocopier or drawn using a variety of materials not common to normal stone lithography.

Tuesdays

Silkscreen Printing

Tuesdays 3 - 6 pm
8 weeks \$300

Includes screens and inks. Multi-color registration and various stencil techniques. Students for the Silkscreen Class can stop in and work during any other silkscreen class and work on their projects independantly. (Does not include paper.)

Thursdays

Silkscreen Printing

Thursdays 6 - 9 pm
8 weeks \$300

Includes screens and inks. Multi-color registration and various stencil techniques. (Does not include paper.) Students for the Silkscreen Class can stop in and work during any other silkscreen class and work on their projects independantly.

Saturdays

Mixed Media Printmaking

Saturdays 11am - 2 pm
8 weeks \$300

Who says you have to have just one technique? Drypoint, Monoprinting, Reliefprinting,

Silkscreen Printing

Saturdays 3 - 6 pm
8 weeks \$300

Includes screens and inks. Multi-color registration and various stencil techniques. (Does not include paper.) Students for the Silkscreen Class can stop in and work during any other silkscreen class and work on their projects independantly.

Sundays

Collagraph Printing

Sundays 1 - 4 pm
8 weeks \$280

Great for up-tight printmakers and painters alike. Uses textures for details and tonal shifts in a print. Helps improve drawing and develops new approaches to creating an image. Students develop collaged printing plates for a series of prints. Experimental and fun.

Silkscreen Printing

Sundays 6 - 9 pm
8 weeks \$300

Includes screens and inks. Multi-color registration and various stencil techniques. (Does not include paper.) Students for the Silkscreen Class can stop in and work during any other silkscreen class and work on their projects independantly.
