Open Studios

\$30 for 3 hours or we can set up weekly / monthly hours. Print Studio access is available during the afternoon or extended hours just call ahead.

Private Instruction

\$25/hour or we can set up a private long term class if interested that may be more reasonable. We're flexible.

Drawing for Beginners \$180
Learn the basics from composition to rendering. Correct common mistakes and learn to observe and draw differently.

Painting Concept \$180
Bring your works to get instruction and help to fix problems or break that creative block.

Relief Printing \$180
WoodBlock, Linoleum, & Plaster printing. Classes will take you from image creation through edition printing of your image in various methods of relief printing.

Silkscreen Printing - Tue or Thurs \$220
Learn image prep both old school and digital. Photostencil application and screen prep. Some inks on hand for students.

Intaglio Etching - Wed or Sat \$200
Learn to create prints using metal plates. Intaglio means 'below the surface,' by using mordants and tools to create textures you create tones to make your image. Basically, the more texture, the more ink the plate holds, the darker the tone.

Sketch and Stagger \$12-session
BYOB Drawing session. Subjects will vary and participants can bring interesting items to add to the mix. Fun and relaxed.

Each class is separate but Students wanting 2 classes can get a discounted rate. Paper and some supplies are the responsibility of the student. Some supplies are provided but a materials list will be provided for the rest.

Figure Drawing may be offered at some point if there is an interest. Let us know!

Late Registration is okay but space is limited. Please call and check so we can hold/create a space for you.
